

NEW HI SCHOOL DISTRICT MAY BE FORMED

UNION DISTRICT PROPOSED TO INCLUDE DALY CITY, COLMA, VISITACION AND TOBIN; BID FOR ROAD WORK IS REJECTED.

According to an address by County Superintendent of Schools Roy Cloud before the county supervisors Monday, a new high school district may be formed in the county, embracing Daly City, Colma, Visitacion, Tobin and San Pedro. These districts are not at present in any high school district and the students residing in them may attend any high school they desire. No action was taken by the supervisors in the matter. Mr. Cloud was granted a ten days' leave of absence from the state at his request.

Only one bid was received for the oiling of the road near the county farm. This bid was considered excessive and was rejected, and the board decided to have the work done by day labor.

The map of a new subdivision near Redwood City, to be known as the "Francis Tract," was accepted.

The report of County Surveyor George Kneese that new retaining walls on the La Honda road were completed was accepted.

At the request of Sheriff Michael Sheehan, the board took action to offer a reward of \$1000 for the arrest and conviction of the kidnapers of Father Heslin of Colma.

The claim of Mary J. Hatch of San Mateo for \$30 additional rent for the branch jail at San Mateo, recently abandoned by the county, was rejected.

The board will meet again next Monday morning.

SOUTH SAN FRANCISCO BAND MAKES INITIAL APPEARANCE

The newly organized South San Francisco Band made its initial appearance at an entertainment at Fraternal Hall last Sunday night. The band had fifteen instruments and made a very good impression. Mr. Popagali is the leader of the new organization. More members are desired for the band and those who play band instruments can learn of its plans from A. J. Cadere at the Western Union telegraph office.

SAN BRUNO POSTOFFICE ENTERED AND ROBBED

The postoffice at San Bruno was entered Thursday night of last week and robbed of \$2 in change. The safe in the office containing stamps, money orders, etc., was not molested. The burglar had gained entrance by removing the glass from the front door. This glass had been carefully set aside without breaking. The proprietor of the San Bruno Electrical Company, whose store is next door to the postoffice, also reported that the lock on his door had been tampered with, but it evidently resisted the burglar's efforts, as it had not been opened. Postoffice inspectors have been investigating the robbery.

MASONS' LADIES' NIGHT DRAWS LARGE GATHERING

Last Friday evening was "Ladies' Night" at the local Masonic lodge, and an entertainment was staged for the benefit of the large number of Masons with their families and friends who attended. The ball room where the entertainment took place was filled to its capacity. The feature of the evening was a lecture on Masonry by Colonel H. L. Loveland, orator of the grand lodge and member of the State Railroad Commission. A musical program was rendered by the South City Mandolin Club, and a short "negro minstrel" show was staged by lodge members, those taking part being W. R. Waelty, L. G. Hardy, J. G. Walker, Charles Elder, J. J. Martin, and Robert Speed. At the end of the entertainment refreshments of ice cream and cake were served to the company, the remainder of the evening being given up to dancing.

HIGH SCHOOL TO HAVE RECORD ENROLLMENT

Last Year's Figure, Previous Record to Be Passed; One New Teacher for High School; Four for Grades.

All indications are that the enrollment of students at the South San Francisco High School for the term that opens August 22d will break all local records as to number. The exact number of students that will enter is not yet known. It is known, however, that there will be twenty-five or thirty entrants from the Jefferson district, and this will help materially to swell the number to a figure beyond any yet attained. At the beginning of the fall term last year twenty-six students entered the freshman class, but there is now no doubt that this number will be far surpassed this year. The putting of the seventh and eighth grades into a junior high school, a departure tried out for the first time in this district last fall, has proven very satisfactory and there is every indication now that the junior high school has come to stay here. In the Jefferson school district, which embraces Daly City, Colma, and surrounding territory, there is considerable talk of erecting a new high school, but there is also a sentiment in favor of having the South San Francisco high school district enlarged to include the Jefferson district, becoming thereby a union high school district. Locally the sentiment is rather against this move, as this district at present is the only city high school district in the county and its conversion into a union district would entail some disadvantages, the greatest among them being the necessity of immediately constructing new quarters for the junior high school here.

One new teacher will join the high school faculty this term in the person of Robert E. Reed, who comes here from Bayard, Neb., where he was the principal of a high school. He will teach mathematics and part-time educational work.

Three former teachers of the grammar grades have resigned since the close of school, and their places have been filled by four new teachers. The new teachers are as follows: Miss Maybelle Goin from Ceres, succeeding Miss Regina Mergalia, teacher of sewing and second grade; Miss Dorothy Bell, succeeding Mrs. Madge Shoup, teacher of second grade; Miss Constance Aggler from Ripon, succeeding Miss Catherine McLean, teacher of second grade. One new teacher will appear in the grammar school, Miss Vesta Wilsey, who has been employed in a coastside school. Miss Wilsey will teach the sixth grade.

Largely because of difficulties arising in the building world, the new grammar school in the north part of town will not be finished in time to open August 22d. When it does open, Miss Marie McAuliffe, who has been connected with the local grammar school for some time, will act as principal. She will be assisted by Miss Grace Carlton. It is planned that the new school shall accommodate second and third grade pupils at first.

Altogether things look bright for the coming school term in the South San Francisco district. Supervising Principal L. E. Adams has many plans for the betterment of educational work in the district, and his accomplishments in the past are the best augury of the what the future holds under his administration.

WESTERN UNION INSTALLS SIXTEEN CLOCKS IN TOWN

Sixteen new "self-winding" clocks have been installed in town by the Western Union Telegraph Company within the last few days. About thirty clocks were signed for in the town, but a number of these were for the factory district, where they can not be installed at this time because of the difficulty of getting wires out to this district, the clocks being controlled by telegraph.

EUCHE CLUB MEETS WITH MRS. RYDER AT SAN JOSE

The Euchre Club met last Friday with Mrs. Irving Ryder of San Jose. Prizes were won as follows: Mrs. J. D. French, first; Mrs. Irving Ryder, second, and Mrs. E. W. Langenbach, consolation.

WAR HERO AND MOTHER LAID IN SAME GRAVE

Mrs. L. Berry of Daly City Drops Dead and Is Buried by the Side of Son.

One of the saddest occurrences following as a direct consequence of the great war that has yet visited San Mateo county took place Saturday when Mrs. Louis Berry, wife of Louis N. Berry of 125 Peoria street, Daly City, dropped dead while preparing to attend the funeral of her hero son, Louis E. Berry, who died in action in France, and whose body was recently brought back to San Francisco. All plans had been made to bury the young martyr to the cause of liberty Saturday with full military honors, and it was while in her home that the mother whose only son had given his all was overcome and suddenly sank as though in a swoon. When her husband reached her side he found that her spirit had fled, overcome by heart failure brought on by the grief which had surged up anew over the arrival of her son's body and the plans for the funeral.

A double funeral took place Monday from the funeral parlors of W. C. Lasswell in Daly City. A requiem mass was celebrated at St. Michael's Church at Ocean View, after which mother and son were laid to rest side by side in one grave at Holy Cross Cemetery. All day Monday the city's flag at the John D. Daly library flew at half mast. A large number of sorrowing friends assembled to pay the last sad tribute, and the great profusion of beautiful floral offerings necessitated a special conveyance to the grave. Father O'Shannahan of St. Michael's officiated, and a squad of soldiers from the Presidio rendered military honors at the cemetery.

Besides the husband, Louis N. Berry, Mrs. Berry is survived by four daughters, Evelyn Berry, Mrs. Lottie Smith, Mrs. E. Schira, and Mrs. Fred Brickwedel.

The story of young Berry's service is a bright page in the history of the war. He first went into action in

CHARGE OF FRAUD IN GAMBLING DROPPED

Prosecution Fails to Prove Dice Were Loaded in Case of Pool Hall Men.

The case against George Bellalis, Bill Assenacopoulos and Louis Poulos, named as proprietors of the California Pool Hall, and accused by one Nick Carlos of defrauding him of \$1500 by the use of loaded dice in a gambling game in their place of business on or about July 16th, came up for a hearing Monday afternoon. The immediate result was the dismissal of the case against the three men and one other named as John Doe, who has not yet been apprehended. The charge was for the felony of defrauding, and as no evidence could be produced to substantiate the complaining witnesses' charge of the loaded dice, dismissal followed. The prosecution was handled by District Attorney Franklin Swart, the defense by J. J. Bullock of Redwood City.

At the close of the case the district attorney stated that he would prepare complaints against the men on the lesser charge of gambling. The evidence submitted show that gambling was conducted in this place, though the loaded dice charge could not be proven.

Nick Carlos represented himself as a former owner of a coffee house on the south side of Grand avenue, between Cypress avenue and San Bruno road. Carlos admitted that gambling had been carried on at his own place of business when he was the proprietor, and that he had taken 10 cents per hour from each game as a "percentage for the house." He may find himself included as a defendant in the new complaints.

Following his applying for a warrant for the arrest of the three proprietors of the California Pool Hall recently, Carlos at first refused to prosecute, but later changed his mind and the prosecution followed. At the hearing Monday it transpired that the men named in his complaint had returned to him part of the money he had lost but not all of it.

NO PROTESTS MADE AGAINST ASSESSMENTS

Trustees Sit in Equalization Monday Morning; Mike Byrne Gets Job as Electrical Inspector.

Monday morning at 10 o'clock the city trustees of South San Francisco met as a board of equalization to hear any protests that might be made on the assessments for the year of 1921-22. No protests were presented at this time, therefore the assessment roll was adopted as submitted by City Clerk and Deputy Tax Collector Daniel McSweeney. Several members of the board, especially Trustee F. A. Cunningham, who is probably the best-informed man in this city on realty values, have done a great deal of work with Mr. McSweeney in readjusting assessed valuations on local property, and it is believed by the board that every piece of property in the city is now fairly and equitably assessed.

One of the chief matters of interest coming up at the board meeting Monday night was the setting forth by Judge E. E. Cunningham of the facts in the case of the proprietors of the California Pool Hall, who were given a hearing in the city recorder's court Monday morning on a charge of permitting gambling in their place of business. The complaint against the men was filed by one Nick Carlos, who claims to have lost \$1500 gambling in the poolroom. Carlos claimed that the dice used were "loaded." Judge Cunningham stated that the case against the poolroom proprietors was dropped as the dice could not be produced and there was no evidence submitted to show that they were "loaded," but at the same time he declared that evidence submitted left no doubt that gambling was of frequent occurrence at the place. The board set Friday night (tonight) as a time when the proprietors of the poolroom could appear before the board and show cause why their license should not be revoked.

The application of A. Locatelli for a soft drink license at 305 San Bruno road, held over from last meeting, was granted.

The appointment of an electrical inspector for this city was made Monday night. Mike Byrne was the fortunate man. His application was received at the last meeting.

A number of bills against the city were audited and ordered paid as approved.

MANDOLIN CLUB APPEARING.

The recently formed South City Mandolin Club, A. J. Cadere director, made its second public appearance at a Masonic performance in Fraternal Hall last Friday night, and pleased the large audience with its selections. The following were the musicians who appeared, with the instruments each played: A. J. Cadere, first mandolin; Mrs. Cadere, first guitar; H. H. Hopkins, first mandolin; Mrs. Hopkins, second mandolin; C. W. King, first mandolin; Mrs. King, mandola; Dave Mendible, first guitar; Mr. Mendible, second banjo; J. J. Martin, accompanist. Mr. Cadere has announced that he desires to get more members for his organization.

SEND FINE DEER HOME FROM MENDOCINO COUNTY

Tom Allen and John Costa returned last Saturday from a deer hunting trip into Mendocino county, and that their trip was not in vain the fine big buck that was on exhibition in the window of the Columbia Meat Market is evidence enough. This beautiful deer was shot by Allen and weighed 225 pounds. Allen and Costa reported deer as plentiful in Mendocino county and hunters as also plentiful. The two hunted in the region of the head waters of the Russian river.

JENNIE VLADIMIROFF FILES COMPLAINT FOR DIVORCE

Jennie Vladimiroff of South San Francisco has filed suit for divorce against Stephen Vladimiroff on the grounds of desertion. The couple were married at Pazargik, Bulgaria, November 20, 1908, and separated March 15, 1917. They have no children and no community property. The plaintiff is represented in the action by Attorney J. W. Coleberd.

BODY OF FATHER HESLIN IS FOUND

BURIED IN A SHALLOW GRAVE NEAR SALADA BEACH, CORPSE SHOWS THAT PRIEST WAS MURDERED IN COLD BLOOD.

Many people, among them Chief of Police Daniel O'Brien of San Francisco, are openly expressing the opinion that Hightower is himself the murderer of Father Heslin. A plan to lodge Hightower in the Redwood City jail pending further developments in the case has been abandoned, as it is feared the man might be a victim of mob violence if brought into this county. Constable Landini is also reported to have stated he believes Hightower the murderer. The body of the murdered priest is now in the Lasswell morgue at Daly City, and later examinations have shown that Father Heslin was shot six times instead of twice, as at first reported, and also that he was struck a violent blow on the head, probably before being shot.

The body of Father Patrick E. Heslin, the missing priest of Colma, was discovered late Wednesday night buried in a lonely spot one mile south of Salada Beach. On a clue given by William A. Hightower of San Francisco, Chief of Police Daniel O'Brien, Constable S. A. Landini of Colma and several newspaper reporters went to the secluded place Wednesday night, and, after digging out a shallow grave, came upon the body of the priest for whom diligent search has been made since his disappearance August 2d. There was every evidence that Father Heslin had been murdered in cold blood. He was shot twice. One bullet had passed through his head, entering just over the left eye, the other had pierced his heart. From the stage of decomposition, it would seem that death had come only five or six days ago, or several days after the abduction. Hightower had investigated the place of the grave before, having been given a tip by a woman of the night life in San Francisco that a drunken man, whom she believed a Greek, had told her that he had killed a man. From the date when this man while drunk stated he had committed murder, it would seem that the priest met his death soon after his abduction.

Thus has partially ended one of the most baffling mysteries in the history of San Mateo county or San Francisco police records. Father Heslin was called from his home about 9 o'clock in the evening of August 2d by a stranger, who stated he wished him to administer the last sacrament to a dying relative. Nothing more was seen or heard of the priest until his body was discovered. In the meantime an exhaustive search of the hills between Colma and the coast has been going on, but heretofore no clue has led to anything worth while. A reward of \$5000 for the discovery of the missing priest, dead or alive, was offered by Archbishop Edward J. Hanna. This was augmented by an offer of a reward of \$2000 by Colma citizens and \$1000 by the San Mateo supervisors for information leading to the capture and conviction of his abductor.

In the meantime the man who took him to his death has not been apprehended, and the search for him has taken on renewed zest. It is believed he is demented, is obsessed by the idea of some fancied grievance against the church, and that his dastardly deed was perpetrated in a spirit of revenge.

DE MOLAY MEMBERS HOLD SUCCESSFUL PICNIC SUNDAY

The members of the order of De Molay held a successful picnic at Sawyer's Camp Sunday, attended by about 200 members of the order. Games and athletic sports were the order of the day, and all present had a most enjoyable time. Mr. and Mrs. A. T. Arndt, Mr. and Mrs. Henry Knoth, Raymond Spangler, and Edwin Brawn attended from this city. Ice cream was served to everybody and soda water flowed freely throughout the day.

GREAT SERIES TO START IN THE ENTERPRISE; STORIES OF GREAT SCOUTS TO APPEAR WEEKLY

The Enterprise takes pleasure in announcing the appearance in its columns of a series of the most gripping short stories that have ever appeared in any publication. This series will contain in condensed form the life stories of the great scouts that blazed the trail in this country for civilization.

Books have been written about four or five famous scouts, but this is the first really comprehensive work which includes all of the leading figures in frontier history, forty-eight of them.

It is a chronological history of the American frontier, epitomized in the lives of the great scouts, covering every period from the French and Indian war to the Ghost Dance uprising, the last serious trouble with the Indians. Nearly every state in the union is represented.

Most historians play up to such men as Buffalo Bill, Wild Bill, Kit Carson, and California Joe. These stories show that Ben Clark, Frank Guard, Sharpe Grover, Yellowstone Kelly, and others were just as important in the history of the West and had just as thrilling lives, though they never were so widely advertised as the former.

Do you know how Buffalo Bill and Wild Bill got their names? Who was the "Evil Spirit of the Plains" and how he got his name? Who was the last man to see General Custer alive? Who were the original "Rough Riders"? That a half-breed negro was the greatest chief of the Crow Indians and that his tribesmen poisoned him to keep his spirit with them when he wanted to return to civilization? That a scout once saved an emigrant train from the Indians by "scalping" himself? Who was the "Death Wind of the Delawares"? Who was the "American Mazeppa"? Who was the "White Chief of the Pawnees"? That one great scout was a poet, another a painter, and another a playwright? The story of Buffalo Chips, the understudy of Buffalo Bill? That a South Sea Islander was General Crook's favorite scout? What was the strangest duel ever fought in America? Who was the "American Ulysses"? Who were the "Bloody Espinozas"? All these and many other things of interest you may learn through this series.

These stories were written by one in love with his subject, and who has made a special study of it since the days of his boyhood, when he, too, was stirred by the ambition to be a scout, game hunter, and Indian fighter.

Perhaps you once ran away from home, resolved to become a terror to the Indians, and then ran back again when night fell and the owls began to hoot. If the vast army of boys who did just that could have been mobilized and directed, they would have settled the Indian problem.

Read a few of these true tales by Elmo Scott Watson, and realize how completely facts outdistance fiction. It is a series of the maximum amount of interest, something every one should read.

Clip these stories and paste them in a scrapbook. There will be forty-eight short tales, and by the time the series is ended you will have a book of condensed thrillers that cannot be duplicated in any library. More than that, you will have secured a comprehensive history of the winning of this country from the Atlantic to the Pacific from the savages. Watch for the first of the series and start your scrapbook.

BAKERY PRODUCTS IN S. F. REACH ENORMOUS PROPORTIONS

The San Francisco baking industry is now turning out \$8,500,000 worth of bakery products per year, and the business is rapidly expanding, according to a report made for the San Francisco Chamber of Commerce by William M. Foley, secretary of the California Bakers' Association.

"There are in the neighborhood of 280 bakeries of all types in San Francisco," states Secretary Foley. "Six of the largest plants are the most modern to be found in the country. The most recently erected of these is the largest in the United States, and is the last word in plant equipment in the baking industry. The six largest plants represent an investment in the neighborhood of \$4,000,000. They turn out about 50 per cent of the bread in San Francisco, where the daily output is a trifle over 300,000 loaves.

"The value of bread and other bakery products in San Francisco aggregates \$8,500,000 annually. For the United States, bread and bakery products reached the enormous sum of \$1,406,145,000 in 1919, the last year for which complete national statistics are available. This represents an increase of 186 per cent in value over bakery products for the five-year period since 1914."

"Sages tell us that the best way to get the most out of life is to fall in love with a great problem or a beautiful woman."

"Why not choose the latter and get both?"

NOTIZIE DALLA CONTEA IN ITALIANO.

CORPO DEL PADRE HESLIN TROVATO A SALADA

Il corpo del prete Heslin di Colma il quale mistero samente scomparve dalla sua dimora il 2 di Agosto enno ad ora continuamente ed invano ricercato, e stato infine scoperto nelle vicinanze di Salada da una donna di San Francisco alla quale un uomo ubriaco ha detto di averlo ucciso per la sola ragione di odio verso la religione. Il prete e' stato colpito due volte una al capo ed una al cuore. Lo stato nel quale il corpo fu trovato fa credere che questi sia stato ucciso da circa cinque giorni quantunque Padre Heslin fosse scomparso da circa nove giorni.

I SUPERVISORS TENGONO ADUNANZA REGOLARE

Il concilio dei supervisors della contea ebbe adunanza regolare Lunedì a Redwood City.

Il soprintendente delle scuole della contea Roy Cloud indirizzò il concilio sul progetto di un piano per creare un distretto di scuola superiore da includere Visitation, Colma, Daly City ed i territori circostanti.

I piani per una nuova scuola superiore la quale probabilmente sarà costruita in Daly City sono ancora in via di formazione ed il concilio decide niente in proposito.

Per richiesta dello Sheriff Sheehan il concilio offrì la somma di \$1000 di ricompensa per l'arresto e convinzione del rapitore del prete Heslin di Colma.

Fu ricevuta soltanto un offerta per il livellamento della strada da Belmont a Crystal Springs e questa fu rigettata essendo troppa alta.

Fu deciso fare il lavoro da lavoratori a giornata.

Il concilio si riunirà Lunedì prossimo.

I TRUSTEES TENGONO RIUNIONE DI UGUAGLIANZA

Il concilio dei trustees di South San Francisco tenne riunione Lunedì mattina per ascoltare proteste sull'assessamento di quest'anno. Nessuna protesta fu fatta. Lunedì sera ebbe luogo l'adunanza regolare.

Mike Byrne fu eletto ispettore elettorale della città.

Il giudice E. E. Cunningham ap-

parve davanti il concilio e' dichiarò il fatto nel caso del California Pool Hall ed essendovi evidenza nella corte, stando ai rapporti fatti, che ivi il giuoco era tenuto, i trustees stabilirono Venerdì sera, tempo nel quale i proprietari del biliardo dovranno apparire e provare come il locale non debba essere privato della licenza necessaria.

ACCUSA DI RAPINA CONTRO TRE UOMINI E' DISMESSA

L'accusa di rapina portata contro i proprietari del California Poolroom da un certo Nick Carlos il quale giurò nella sua richiesta che questi l'aveva ingannato di \$1500 usandi dadi impiombati, fu ascoltata nella corte del Giudice E. E. Cunningham Lunedì scorso. Il caso fu dichiarato sciolto non essendovi sicure prove di evidenza per dimostrare che i dadi fossero impiombati. Il district attorney Franklin Swart annuncio' che esso avrebbe domandato una querela contro i suddetti per aver questi giuocato, essendo l'accusa della rapina discolta.

EROE DELLA GUERRA MONDIALE E SUA MADRE SEPOLTE NELLA STESSA TOMBA

La Signora L. Berry di Daly City, la quale morì Sabato scorso mentre preparavasi ad attendere al funerale di suo figlio E. Berry, il quale fu ucciso in azione in Francia, fu sepolta Lunedì accanto a suo figlio nel cimitero di Holy Cross. I piani per l'interramento del figlio erano pronti per Sabato ma tale data fu postposta fino al Lunedì così potessero tutti e due essere sepolti nel medesimo tempo.

Una squadra di soldati dal Presidio resero gli onori militari al giovane eroe, il corpo del quale fu ricevuto in San Francisco alcuni giorni or sono.

LA SCUOLA SUPERIORE APRIRÀ CON UN GRANDE NUMERO DI SCOLARI

Il numero degli alunni che entrerà nella prima classe della scuola superiore il giorno 22 di Agosto, sarà il più grande finora registrato. Il numero degli alunni dello scorso anno fu di 22 numero fino ad allora non oltrepassato, ma si assicura che quest'anno, quantunque il numero esatto non si sia ancora potuto ottenere, oltrepassi quello fino all'anno scorso registrato.

Circa venticinque scolari saranno presenti dai paesi di Colma e Daly City.

Miss Jennie Bocci attended the Granite Manufacturers' Association convention held at the Palace Hotel last week.

Mr. and Mrs. Tillio Conserva have taken up their residence at the Arminio building on San Pedro avenue.

Saturday evening, August 13th, the Colma Community Center will hold its first dance at Castle Hall. Good music and a jolly time is assured all who attend.

The Ladies' Home Club of Colma held one of its regular business meetings Tuesday night at the Colma Community Center building on Dunk street.

Mr. and Mrs. Fred Lagomarsino purchased a pretty bungalow on Sloat boulevard next the Villa Mateo last week. The house was bought from Thomas Frost.

Miss Freda Wilke, an active member of the Girls' Club of Colma, who is on the sick list at St. Joseph's Hospital in San Francisco, is reported gradually improving.

Mrs. P. D. Broner and daughters, Edith and Edna, of South San Francisco, and Mr. and Mrs. J. J. Smyth

and son, Cyril, of San Bruno spent Sunday here with relatives.

Mr. and Mrs. William Yarn and friends from San Francisco accompanied Mr. and Mrs. Alfred Riddell on a motor trip to Miramar, where they spent an enjoyable week-end.

Miss Patricia Concannon, niece of the Rev. Father M. M. Concannon, who is in San Francisco with friends since the departure of her uncle, was visiting here last Saturday evening.

Mrs. Emma A. Woolsey has received a long letter from her son, Oscar, who arrived in Olympia, Ore., without mishap. He motored up with a party of friends and shipped his truck by rail.

While cutting meat at Louis Nava's meat market, Tillio Conserva met with an accident, almost severing one of his fingers with a large butcher knife. He received first aid at Mowry's drug store.

Eugene Gray, better known as Pop Gray, gasoline dispenser at the Belli gas station, returned to his work last Friday after a vacation of two weeks. Pop's friends are glad to see him back again.

After purchasing a piece of property from Mr. and Mrs. Frank Belli lately, and having a brand-new bungalow completed, Mr. and Mrs. Bert Clark moved from the Armanio building last week to their new home.

Mr. and Mrs. Eugene E. Gray have as their house guests Mr. and Mrs. Arch Lawery and family from Doniphey, Neb. Mrs. Lawery is the only child of E. Gray, and has not seen her father since she was a child of three years of age.

Edwin Ver-Linden, who returned to his home Sunday evening after being on a vacation of a week with Angelo Moresco and Angelo Chappou, reported killing a deer in the Halfmoon Bay district. Angelo Chappou and Angelo Moresco will remain for a week or so with friends at Moss Beach.

Saturday Mrs. L. Maffi of Lomita Park and sister, Mrs. B. Haubrich, and children, Miss Sylvia and Master Bennie, and Miss Laura Baldini of South San Francisco returned to their homes, after spending three enjoyable

weeks at Capitola. Master Bennie returned to his studies at the Jefferson school Monday.

Mrs. Elizabeth Berry, the grand arch Druidess of the U. A. O. D., is in Modesto before taking up the work of visiting the different circles throughout the state. Mrs. Berry has been the deputy for Cypress Circle No. 14 in Colma for two years, but during her absence this year Mrs. C. Benassini will be deputy.

Hugh Rodgers and Robert Rolph spent their three weeks' vacation at Willows. On their way home they stopped at Cazadero for Mrs. Ed May and daughter, Rose, who had been spending their vacation at Cazadero and near-by places of interest with Mr. and Mrs. Ed Haugh and son, Earl. All arrived home safe and sound Monday, reporting a most enjoyable time.

Upon returning to his home last Thursday evening, Nino Castagnoli, proprietor of the dry goods store at the junction of San Pedro avenue and Washington street, was severely injured when he was thrown out of his automobile by a party of men from San Francisco, who were said to be intoxicated. Mr. Castagnoli was immediately taken to the Central Emergency Hospital, where the doctor found his arm badly broken as the result of the accident.

LIBRARY TO CLOSE MONDAY.

Monday, August 15th, there will be a meeting of the custodians of the branches of the San Mateo county libraries at the court house in Redwood City. The Colma library will be closed for that afternoon.

COLMA GIRL MARRIED TO SOUTH S. F. MAN

Saturday, August 6th, Miss Estella Feretti, eldest daughter of Mrs. Rose Feretti, was united in marriage to Aurelio Zanetti of South San Francisco. The wedding ceremony took place at 5:30 o'clock at Holy Angels' Church, where the ceremony was performed by the Rev. Father Austin,

who has been appointed pastor of the parish since the mysterious disappearance of the Rev. Father P. Heslin. Miss Josephine Feretti acted as bridesmaid, while Alfred Zanetti was best man. The bride is very well known here, and graduated from the Jefferson grammar school with the class of 1917. After their honeymoon the young couple will make their home in South San Francisco, where Mr. Zanetti is employed. Their numerous friends wish them joy and happiness.

CYPRESS CIRCLE PLANS FOR WHIST PARTY AUGUST 16

Next Tuesday evening, Cypress Circle No. 14, U. A. O. D., is preparing for a whist party to be held at the old Jefferson Hall on San Pedro avenue. Those wishing a good time are urged to attend. The following committee is in charge: Mrs. Carl Swartz, Mrs. Robert Herringer, Mrs. Leon Fellman Jr., Miss Theresa Stampanoni, Miss Pauline Benassini, and Miss Elsie Varni.

MR. AND MRS. JOHN CALLAN KEEP TWELFTH ANNIVERSARY

On Sunday, July 31st, Mr. and Mrs. John Callan celebrated their twelfth wedding anniversary at their home on Werner avenue. Interior decorations consisted of evergreens and flowers with streamers of white and pink attached to two kewpie dolls, representing a bride and groom. At 7 o'clock a sumptuous repast was served to the following guests: Mr. and Mrs. John Callan, Mr. and Mrs. Earl L. Jones, Mr. and Mrs. Albert Silicani, Mr. and Mrs. King, and Mr. and Mrs. Thomas Fahey, Misses Theresa Stampanoni, Edith King, Angelina Varni, Winifred, Grace and Lillian Cortage, Louise and Dorothy Silicani, Gladys Callan, and Florence Silicani, Messrs. Carl Jones, Louis Nava, George Krehl, Clifford and Thomas Donleavy, John Callan Jr., Albert Silicani Jr., and Robert Callan. The evening was spent in singing and dancing, and many games of all sorts formed part of the evening's entertainment. As linens are the customary gifts given in honor of the twelfth anniversary, Mrs. Callan was the recipient of many such beautiful gifts. The party ended in the wee small hours of the morning.

LADIES' HOME CLUB HOLDS ENJOYABLE WHIST PARTY

The Ladies' Home Club of Colma is well known for its whist parties, and Saturday night's proved successful as usual. Prize winners were: Mrs. J. C. Witt, first; Mrs. B. Clark, second; Mrs. J. L. Brown, third; B. C. Gouin, fourth; Miss Irene Ver-Linden, fifth; Mrs. E. Oaks, sixth; John Phillips, seventh. Violet Ver-Linden won the box of candy in the game of passing the key. After the whist the evening's entertainment was followed with refreshments being served by the ladies of the club and dancing. Piano selections were rendered by Mrs.

Wagner of San Francisco and vocal solos by Miss Anna S. Smith of San Francisco and Harvey Skirvin of Daly City.

NATIVE DAUGHTERS TO HOLD WHIST PARTY AT DALY CITY

El Carmelo Parlor No. 181, N. D. G. W., of Colma is making extensive preparations for a big whist party, which will take place at Eagles' Hall, Daly City, Wednesday evening, August 31st. After the whist party there will be dancing. Mrs. Robert Herringer, Mrs. Ellis Johnson, and Miss Theresa Stampanoni are on the committee. A (Continued on page 6.)

GOING ON A VACATION?

We suggest that if you are going on a vacation or are going to be away from home for any reason whatsoever that it is far safer—and of course many times cheaper in the end—to rent a Safe Deposit Box in which to store your bonds, stock certificates, mortgages, insurance policies and other valuable papers together with your silver and jewelry.

During your absence, should fire attack your home—and an insurance policy does not provide against loss by fire of any of the above—or should your home receive an unwelcome visitor in the person of a burglar, it will be a relief to come home and know that your valuables are safe in the vaults of this bank.

A Safe Deposit Box will provide protection not only during vacation times but through all the year as well. You can rent one for a year for LESS THAN A CENT A DAY.

CITY TRUSTEES MEET IN REGULAR SESSION

Water Case Under Advisement by the
Appellate Court; Building Permit
Granted Union Oil Company.

Wednesday night the regular monthly meeting of the city trustees took place at the city hall, a full board being present.

City Attorney Davis notified the board that the appellate court had that day heard the appeal in the water case, and that it had been argued on the request of the court, which consisted of Judges Waste (presiding), Kerrigan, and Richards, same had been submitted, and that a decision would be handed down in due time.

A building permit was granted the Union Oil Company for the erection of an oil station at the intersection of El Camino Real and San Mateo avenue, plans of which were offered by the company for approval. These showed a double-winged building of extremely handsome and tasteful design. When completed it will undoubtedly prove to be one of the finest oil stations on the peninsula. It was made by the board one of the conditions of the permit being granted that no signboards should be erected, and this condition was accepted by the representative of the company present. The description of the proposed building is as follows: Double-face frame service station building. Foundation to be of concrete, 6 inches wide by 16 inches high. Length of building 44 feet, including canopies on both sides of station between building and pumps. Width 16 feet 8 inches over all, height 15 feet over all. Two separate lavatories to be installed. Only sanitary and approved plumbing and appliances to be used. Pumps and lubricating oil equipment to be installed to be approved by underwriters' laboratories.

O. H. Haglund was granted a permit for the erection of a three-room bungalow on lot 20, block 14, Third Addition, and to John Schyf, contractor, for a hay barn for Mr. Crebari.

Commissioner of Health Palmer requested the board to appoint Charles Brose a member of the board of health, vice P. J. Sullivan, resigned. This action was taken.

The petition previously presented to the board by the property owners whose lots face on San Felipe avenue, asking that the city trustees take over on behalf of the city the northern half of the street upon which their houses front, was referred back to them with the request that they circulate a petition, to be signed by the people of San Bruno, requesting that such action be taken by the board. The trustees would then be in a position to take further action along the lines sought by them.

Mrs. T. C. Anderson sent in the following letter to the board:

To the Board of Trustees of San Bruno—Dear Sirs: Having been a neighbor for some time, and lately become a resident of your city, I apply to you at this time. I live on Kain's avenue, and have leased the second store from the corner of San Mateo avenue with the intention of running a business with the permission of your honorable board. As is well known to most of you, I belong to a family of entertainers, and San Bruno to my knowledge has no place where one could take his wife or sister and get a good meal, and at the same time be highly entertained. I am asking your permission to run a first-class cafe, with soda fountain attached. Hoping to hear favorably from you, I am, for the betterment of San Bruno, C. T. ANDERSON.

The board on completion of the reading of the above went into executive session, and on reopening proceedings informed Mrs. Anderson that, if she would circulate a petition and obtain the signatures of the property owners living in the district from the highway, from Uncle Tom's Cabin to Tanforan, thence along the railroad track to San Mateo avenue to the cabin, they would consider the proposal further.

positional further.

Mr. Jenevein asked the board to omit the paving of the six-foot strip along the western side of San Mateo avenue from El Camino Real to Tucker avenue, as if same were paved as designed it would work a grave hardship on him, as he was at this time carrying all the taxes that he could, and this additional expense would absolutely cripple him. The board expressed sympathy with him, and stated that the protest should have been made earlier, that is, before the bid for the work had been accepted, but that it would take up the matter with the city attorney and the Municipal Improvement Company and see whether there was any way in which Mr. Jenevein's wishes might be met. Mr. Jenevein thanked the board, and the matter for the time being here rests.

G. A. Helmore, on behalf of the Peninsula Bureau of Chambers of Commerce, asked the board to endorse the petition of the Bureau in requesting the Southern Pacific Company to electrify its line between San Francisco and San Jose, which the trustees did by unanimous vote.

BOARD OF HEALTH TO FORCE SANITARY PRECAUTIONS

The board of health is determined to prosecute citizens who deliberately refuse to comply with the law requiring proper sanitary connection with the sewers. It is stated that an epidemic of typhoid fever is a constant menace under present conditions in some places here.

YEOMEN INITIATION.

Tuesday night at Carpenters' Hall the Yeomen gave an initiation which was largely attended, the work proving most interesting, being carried through with a thoroughness for which the Yeomen are noted. A large whist party is on the tapis by this wide-awake organization, to be held shortly, at which twenty-five prizes will be given, in addition to several gate prizes. Notices for this affair will shortly be issued.

LOCALS

Mrs. Nasits has had her sister from the East staying with her this week.

The Bellevue Tavern had a busy time last Sunday evening, when it catered to two wedding parties.

Mrs. Krysiak's house on Mastick avenue is progressing rapidly toward completion, and she expects to move in shortly.

We regret to hear that Mrs. Kirkwood is confined to her home, having unfortunately broken her ankle during the past few days.

The strike is unfortunately holding up building operations in this city. Houses are badly needed here, the demand being greatly in excess of the supply.

Mrs. Kirk, with her two daughters and two-months-old baby boy, have been on a week's visit to Mrs. Mead, and expressed their delight at our brilliant sunshine and absence of fogs.

Miss Marjorie Kirk, a sister of Mrs. Mead of Crystal Springs road, was married to Reuben Inman in San Francisco a week ago last Sunday. The honeymoon is being spent at Bishop in this state.

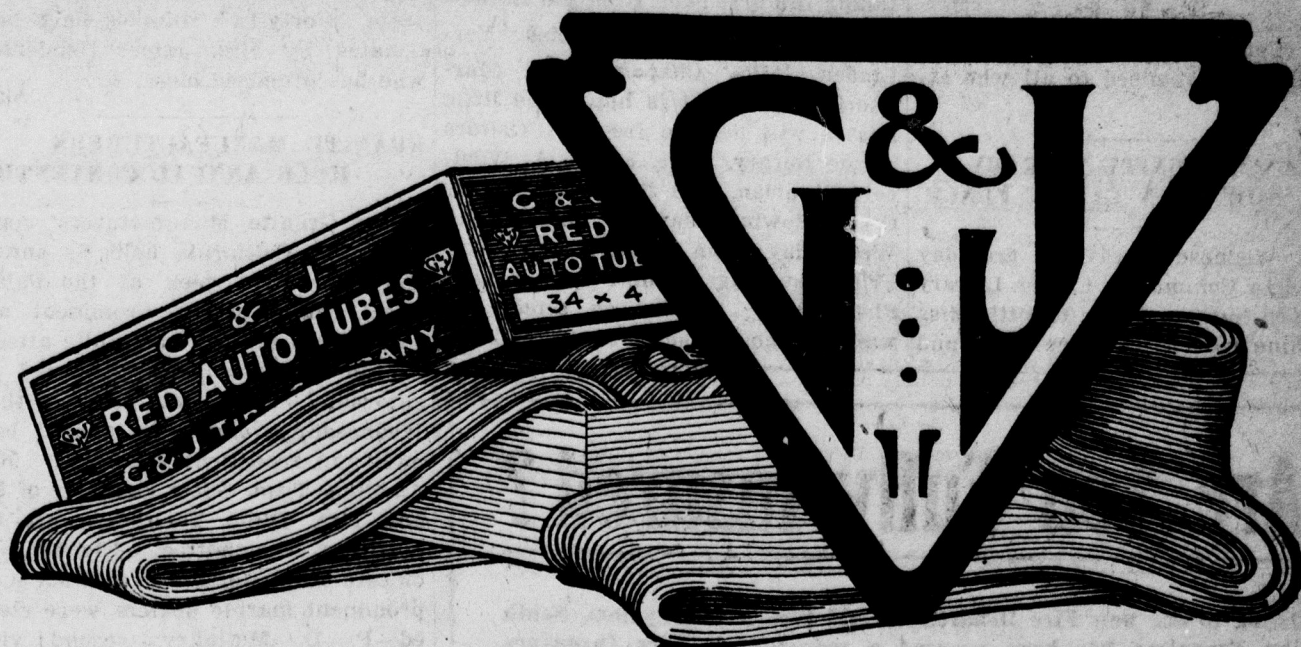

The petition for street work which has been circulating in San Bruno Park during the last two weeks has met with unqualified success, it having been signed by all of the property owners, save three, in that section.

Mrs. Charles Dunlap was operated upon for appendicitis by Dr. F. Holmes Smith Tuesday afternoon at the Mills Memorial Hospital. There is every prospect she will make a complete and fairly rapid recovery.

COLMA COMMUNITY LIBRARY
NOW OPEN TO THE PUBLIC

Last Wednesday was the first day the Colma Community Center Library was open to the public. To little Miss Josephine Jensen, daughter of Mr. and

Mrs. M. Jensen, belongs the honor of taking the first book from the library. She was followed by Emma Ver-Linden, Alice Chaparril, and Marguerite Grady. It is hoped the little misses will become frequent visitors at the library. Mrs. Emma A. Woolsey, librarian, will be at the library the following days: Monday and Wednesday, from 3 to 5 o'clock, also Friday evenings from 7 to 9 o'clock. She will be pleased to attend the wants of those wishing books, and any

book that is not on the shelf she will endeavor to get for those wishing them. Forty-two volumes have been donated by Mrs. James Henderson, who has promised more.

GRANITE MANUFACTURERS
HOLD ANNUAL CONVENTION

The Granite Manufacturers' Association of California held its annual convention last week at the Palace Hotel. Many of our prominent and well-known dealers in granite attended the convention, and reported an enjoyable and interesting time. Wednesday evening the annual banquet and reception was held. Miss Angelina Toso, eldest daughter of Mr. and Mrs. Dulio Toso, was on the hostesses committee. Election of officers was held, and two of our most prominent marble dealers were elected—P. D. Mullaney, second vice-president, and E. A. Weisenburger, secretary. P. D. Mullaney has been in the stone business for the past sixty years, and has held the office of vice-president for some years past. Mrs. Anna Zulk, only woman member of the association, was highly honored, as she has never missed a session, monthly or annually. Mrs. Zulk is a very efficient and businesslike woman, having taken charge of and conducted the Zulk Monument Works since the death of her husband. Leopold Bocci was awarded a sack of flour, given as a prize to the member with the largest family attending the convention.

ST. JOHN'S PICNIC.

The members of St. John's Church gave a pleasant and successful picnic last Sunday afternoon, which a very large number of friends attended. The picnic grounds were chosen near town, in the hills on the Crystal Springs road. Games of all kinds were indulged in by those present, but the principal event was a baseball game between the boys and the elder folk. This resulted in a complete victory for the youngsters, the score being 19 to 12. On returning home all voted the occasion a great success.

SO. S. F. TURNS IN SECOND
LARGEST SUM FOR IRISH RELIEF

R. M. Tobin, chairman of the northern California unit of the American Committee for Relief in Ireland, has rendered a full account of the funds raised in the campaign for funds to relieve acute distress among Ireland's

war-ravaged people. Northern California contributed a total of \$197,179.40, the quota being \$150,000. According to Tobin's report, not a dollar was deducted from the amount collected under his direction for campaign expenses or any other purpose. The subscriptions turned in from different points in San Mateo county were as follows:

Redwood City	\$ 975.25

PRACTICAL RECIPES

CREAMED DISHES EASILY MADE AND APPETIZING

Milk toast, cream soups, creamed vegetables, creamed fish, and scalloped dishes are all good ways of putting more milk into the daily food of the family, say home economics specialists in the United States Department of Agriculture. The milk for all of these is thickened into a sauce, thick or thin.

To make the sauces, melt the fat, stir in the flour, add the milk gradually, and cook until thickened, stirring constantly unless a double boiler is used. All measurements are level in these recipes.

Thin White Sauce

Milk 1 cup
Flour 1 tablespoon
Fat 1 tablespoon
Salt 1/2 teaspoon
Pepper 1/2 teaspoon

Medium White Sauce

Milk 1 cup
Flour 2 tablespoons
Fat 2 tablespoons
Salt 1/2 teaspoon
Pepper 1/2 teaspoon

Thick White Sauce

Milk 1 cup
Flour 3 tablespoons
Fat 3 tablespoons
Salt 1/2 teaspoon
Pepper 1/2 teaspoon

For milk toast and with vegetables, use the thin sauce. For scalloped or creamed vegetables and meat dishes, use the medium sauce. The chief use of the thick sauce is as a binding material in croquettes and loaves.

FINE ART OF COOKING RICE.

Rice can be cooked so that it is flaky and so each grain remains separate, say food specialists in the United States Department of Agriculture. To obtain this result wash the rice thoroughly, boil it in a large proportion of water, and do not over-cook.

To one cup of dry rice, use four or five quarts of water, and one teaspoon of salt. Wash the rice through several waters until all the loose starch is removed, and drain it. Have the boiling water ready in a deep saucepan, add the salt, slowly drop in the rice, and allow it to boil rapidly for about fifteen or twenty minutes,

or until a grain when pressed between the thumb and finger is entirely soft.

In order to prevent the rice from sticking to the pan, lift it if necessary from time to time with a fork, but do not stir it, for stirring is likely to break the grains. When sufficiently cooked, turn the rice into a colander or a sieve, and after the water has drained off, cover with a cloth and set over a pan of hot water on the back of the stove or in the oven, or turn the rice into a shallow pan, cover with a lid, and place it in a warm oven for a short time. Treated in this way the grains swell and are kept separate.

SAVING ALL FAT OBTAINED IN COOKING SAVES MONEY

Care used in saving and caring for all fat obtained from cooking meat in the home will save many a dollar which otherwise would have to be spent for butter, lard, or other cooking fats. Fats derived from the cooking of bacon, ham, chicken, beef, and other meats should be kept, each in its own receptacle, to be used for different purposes.

Household specialists in the United States Department of Agriculture say an old-fashioned method of clarifying fat from the soup kettle, or from cooked meats, so that it may be used in the kitchen, is to add the cold fat to a liberal quantity of cold water, then heat slowly and let cook for an hour or more. When cold, the cake of fat is removed and the lower portion, which will retain the small particles of meat, should be scraped away, and the white, clean fat saved. If the flavor or color, or both, are not satisfactory the process may be repeated several times. Another method, often

recommended, is to cook a number of slices of raw potato in the boiling fat.

When an ice chest is used, fat in small quantities may easily be kept sweet for cooking purposes. If lard is rendered at home in quantity sufficient for a long time, it should be kept covered in tins or earthen jars, in a cool, dry place, as in a cellar or storeroom.

LEMONS CONDUCTIVE TO HEALTH AS WELL AS PLEASE PALATE

In the olden times sailors who took long trips and ate no fresh vegetables and fruits for weeks or months were likely to fall victims to scurvy. Finally a cure or a partial cure for it was found in lemon juice.

Of late years, scientists have been making a study of scurvy, its cause and its cure and of the conditions that make the body proof against this disease. They have discovered a substance called vitamine C, which seems to prevent and even to cure this disease. It is found in many foods, among them tomatoes and such citrus fruits as oranges, grapefruit, and lemons.

Lemons, therefore, have a new importance in the diet. They are no longer to be valued simply for their flavor, but also as a source of one of these necessary substances.

Lemons can be used in all sorts of ways in the preparation of meals. There is a long list of beverages and desserts in which lemon juice is used, as well as a number of delicious sauces that expert cooks have invented to serve on fish and meat. Many of these sauces the busy housekeeper has no time to make, but she can cut a lemon in two and put it on the table to serve with fish, oysters, or meat. Some people think that a little lemon juice adds just the zest needed to

make eggs on toast a tasteful dish. Lemon juice is also good on spinach and other green vegetables, on many kinds of salads, and as a flavoring for pudding sauces and cakes.

Speak kindly to your neighbor. He may do the same behind your back.

No chance is worth anything but a fighting chance.
